**Re: United States v. Juan Arreola**  
**15 Cr. 824 (RMB)**

Dear Judge Berman:

I write today to request an order exonerating bail in the above-referenced case. Defendant Arreola's bail conditions included the posting of deeds of trust in favor of the United States against properties located in California owned by relatives of the defendant. I have received a call from one of the mortgage companies involved in a property informing me that there remains a hold on the property because of the bail conditions set in this case. As you know, Mr. Arreola was convicted after trial and sentenced by the Court to a term of 180 months on November 17, 2016. His appeal to the Second Circuit Court of Appeals was denied, affirming the judgment of the District Court in March 2018. Accordingly, there is no reason why bail in this case should not be exonerated as the case is closed.

Thank you for your consideration to this application and your continued courtesies to counsel.

Application to exonerate bail  
is granted.
